Storage and Disposal

Keep only in the original container in a cool, well ventilated place. Keep container closed when not in use. Do not store in corrodable metal. Dispose in a safe manner in accordance with local/national regulations.

Safety instructions for the user

Avoid contact between alkaline and acid products.
Always test the product first on a small surface.
Consult your Cid Lines sales' person for a suitable cleaning- and disinfecting program that is adjusted according to the contamination and the specific conditions of the company.

Before use, please check the MSDS.

Not all CID LINES products are available in all countries. For information about availability of a specific product, please contact your CID LINES dealer.
