

## Moisturizing cream for dry and damaged hands

### Product Description

Keno™silk is a moisturizing cream for the hydration and softening of the hands.

### Properties

Keno™silk contains oils, moisturizing and nourishing components that result in a soft, protected and hydrated skin. Keno™silk is especially developed for the hydration of the hands at the end of a working day.

### Direction of use

Daily use after production.  
Apply a drop (4 mL) on your hands and rub it in while the cream is completely absorbed.  
This product is exclusively for external use.

### Specifications

Physical state	Cream
Colour	White
pH	ca 7 (100%)
Density	ca 0.85 kg/l
